2020JAN0002MER	17/01/2020	West China Cement Limited	Schwenk Namibia Proprietary Limited	The proposed transaction relates to the sale and acquisition of the entire issued share capital of Schwenk Namibia Proprietary Limited ("Schwenk Namibia") by West China Cement Limited ("WCC"). WCC controls various entities that manufacture and sell cement in China, primarily within the Shaanxi province. WCC operates 17 cement production plants across China and has a total production capacity of 29.2 million tonnes. The acquiring group is currently not active in Namibia. Schwenk Namibia owns and controls three subsidiaries in Namibia being: Ohorongo Cement (Pty) Ltd ("Ohorongo Cement"); Energy for Future (Pty) Ltd ("EFF"); and Schwenk Industries (Pty) Ltd. Schwenk Namibia is a holding company of the aforementioned entities that operate in mining, renewable energy and cement production.	C: Manufacturing	Investigation on going	
2020JAN0003MER	20/01/2020	Dewberry Investments Proprietary Limited	The KFC Business conducted throughout Namibia by Atlantic Chicken (Proprietary) Limited	The transaction involves the acquisition of the KFC Business in Namibia by Dewberry Investments. Dewberry Investment is a 50/50 joint venture special purpose vehicle incorporated by Vivo Energy and Peony to acquire the KFC Business. Dewberry Investment does not have any business activities in Namibia. Peony and its controllers conduct no business in Namibia. Vivo Energy through its Shell licensed brand has a petroleum retail network across Namibia, including quick service restaurants, coffee shops and small convenient stores adjacent to its petroleum retail sites. Post-merger, Dewberry Investment will exercise sole unfettered control over the KFC Business in Namibia.	I: Accommodation and food service activities	Investigation on going	
2020JAN0004MER	23/01/2020	Veolia Eau-Compagnie Generale Des Eaux	Ujams Wastewater Treatment (Pty) Ltd	The proposed transaction involves the acquisition by Veolia Eau- Compagnie Generale Des Eaux ("Veolia"), which currently already holds shareholding in Ujams Wastewater Treatment Company (Pty) Ltd ("Ujams"), of additional shareholding in Ujams currently held by VA Tech Wabag GmbH ("Wabag"). Veolia is controlled by Veolia Environment S.A., a French transnational company with activities in three main service and utility areas traditionally managed by public authorities- water management, waste management and energy services. Veolia operates in Namibia through Ujams, Wingoc and Aqua Services and Engineering (Pty) Ltd. Ujams is a special purpose vehicle created for the purposes of designing, building, operating and maintaining a new industrial wastewater treatment plant in Namibia, to convert industrial wastewater into re-usable water for the City of Windhoek. Ujams does not control any undertakings.	E: Water supply; sewerage, waste management and remediation Activities	Investigation on going	

2020FEB0005MER	06/02/2020	Profile Technologies (Pty) Ltd	Mobile Telecommunications Networks Business (Pty) Ltd	The proposed merger is a change from joint majority South African controlled to sole Namibian controlled in which the transaction relates to the acquisition by Profile Technologies Pty Ltd of the 70% of the issued shares of MTN Business Pty Ltd, thereby causing Profile Technologies Pty Ltd to wholly own the entire issued share capital of MTN Business Pty Ltd post-merger. The acquiring group is active in the Information Technology sector, however this is not its sole focus. Its operations extend across many business segments including Information Technology, security and surveillance, debt collection, civil works and building construction. MTN Business solutions is engaged in the sale and provision of internet services, hardware and software. It currently has a Class Comprehensive Telecommunications Services Licence ( ECNS and ECS) as well as Spectrum Use Licenses.	J: Information and communication	Investigation on going	
2020FEB0006MER	10/02/2020	Cheetah Conservation Fund Namibia	Okanenembandi Farming Company (Proprietary) Limited	The Proposed transaction relates to the Cheetah Conservation Fund Namibia acquiring ownership of and control over the remaining extent of the Farm Otjenga No 362 measuring 4999 ha and Portion 1 of the Farm Otjenga No. 362 measuring 2300 ha from Okanenembandi Farming Company (Proprietary) Limited. The Cheetah Conservation Fund Namibia controls and owns nine farms with a total of 50 361 hectares. The farms are mainly used for cattle farming, ecotourism and research. Post-merger, CCF will have full control over the remaining extent of the Farm Otjenga No 362 and Portion 1 of the Farm Otjenga No. 362.	I: Accommodation and food service activities	Investigation on going	
2020FEB0007MER	14/02/2020	Upjohn Inc ("Newco")	Mylan . N.VG	The proposed transaction is a combination of Mylan N.V. ("Mylan") and Upjohn Inc which will result in the acquisition by Upjohn of Mylan. Upjohn is a special purpose vehicle created for the purposes of this transaction. Upjohn is currently controlled by Pfizer, a global pharmaceuticals company active in research, development, manufacturing and marketing of medicine. The Upjohn business was created as a division of Pfizer that operates Pfizer's main off-patent branded and generic (non sterile injectables) medicines business. Mylan is a global pharmaceutical company engaged in global development, licensing, manufacture, marketing and distribution of generic, branded generic, brand-name and over the counter pharmaceutical products and ingredients. In terms of the transaction's description Pfizer's Upjohn Business including Greenstone LLC, will separate from Pfizer Inc. and will be contributed to Upjohn. Upjohn and Mylan will then implement a transaction whereby all of Mylan's assets will be transferred to Upjohn.	Q: Human health and social work activities	Investigation on going
